

From Vision to Action for a Sustainable Water Future

30th Anniversary Party

What are the key challenges and most promising innovative solutions for a thirsty planet? Pacific Institute President Jason Morrison and California State Water Resources Control Board Chair Felicia Marcus will explore opportunities and strategies to ensure people, the economy, and nature have the water they need to thrive. Joel Makower of Greenbiz Group will guide the conversation.

President Emeritus Peter Gleick will offer a retrospective on three decades of Pacific Institute accomplishments.

Please join us to celebrate 30 years of impact.
